

# **WSCA Lower School Summer Reading Calendar**

## **Ice Cream Challenge**

Lower School Bobcats,

Summer time reading can be a lot of fun and rewarding in many ways. This year, I am challenging **all K-4 (those who completed this school year)** students to read **840 minutes** this summer. Each weekday in June, July, and August stretch out on the grass or curl up on the couch with a good book or books for 15 minutes or more. If you don't get a chance to read during the week, you can catch up on the weekend and write your minutes on a Saturday or Sunday.

Once you have read, ask your parents to put their initials on the line in each calendar box. At the end of the month, total all your minutes and write them on the calendar. Be sure to include your name and grade.

Those students who read **600-840 minutes** or more will be invited to an ice cream party hosted by me. If a student **reads more than 840 minutes**, they will receive an additional special prize.

Summer Reading Calendars must be turned in and will be collected the first week of school.

Have fun and enjoy the summer!
